Magic Affiliation: Sanguinati.

Education: Sanguinati grade school.

Address: Grossatete Sanatorium, Severance, Hoopenfangia.

Until her parents had her locked up, Contessa formerly lived in her family's estate at 148+ Pluvia on the corner of Sesepha Street, in Mystic City, Severance, Hoopenfangia.

Date & Place of Birth: 12/25/1999. Mystic Infirmary, Mystic City, Severance, Hoopenfangia. Contessa is nearly 11 years old and in the Sanatorium when Book One, *Curse of the McRavens*, begins.

Height/Weight/Physical Description: Average height and slightly chunky. She has knee-length hair of light ash brown, wide-spaced eyes, and a pouty face.

Contessa Quote: "I want to cut my hair, like, above my shoulders, like some of the Nizzertit girls do, but my parents won't let me. I'm not a morning person; it takes me half the day to function at full capacity."

Citizenship/Ethnic Origin: Severance Hoopenfangia / Caucasian / Sanguinati / French ancestry.

Parents' Names & Occupations:

Father: Sessions Diamone. He oversees the Ritual Implements Inventory Department for the theurgy.

Mother: Hilda Diamone. She (along with her husband) oversees the Ritual Implements Inventory Department for the theurgy.

Hilda and Sessions Diamone had their 10-year-old daughter Contessa Diamone committed to Grossatete Sanatorium because she wants to be a Nizzertit.

Contessa Quote: "They, like, claim the vespercestors put me in the sanatorium because I have some birth defect that makes me a danger to my brother and sister. They also claim I have, like, behavior issues — that I'm troubled, stubborn, and superstitious."

Other Family Members:

Sister: Twila Diamone.

Brother: Marston Diamone.

Grandfather: Periander Diamone. (1889 - 1976)

Grandmother: Isadora Dandiprat.

Great-grandfather: Cleobulus Diamone. (Died 1910)

Great-grandmother: Alky Soyala Diamone.

Social Class: The Diamones are struggling to maintain an upper-class presence among the Sanguinati. Contessa, however, is not concerned with that in the least.

Magic Specialties: None. She wants to be a Nizzertit, though she rides an ogre and uses a wand to play Spurgmulin.

Community Status: Her friends at the Sanatorium like her, but they didn't care as much for her before her parents and siblings shunned her.

Political Beliefs/Affiliations: Progressive Sanguinati at the least; but Contessa wants to be a Nizzertit, not so much that she despises magic; she just feels she relates more to Nizzertits. Outside of her position in Spurgmulin at the

Sanatorium, she tries to do everything manually — reads Nizzertit books, magazines, etc.

Voice: Contradicting. Says 'like' every sentence or more.
