Education: Mystic Steeples.

Magister of Sanguinati Magic.

Address: Severance, Hoopenfangia.

Date & Place of Birth: Mystic Steeples, Severance, Hoopenfangia

Height/Weight/Physical Description: Seven-foot tall, thin, stiff posture. He maintains a corpselike expression on his long face and wears a boline around his neck under his odd beard. He is argumentative, awkward, and always exasperated.

Citizenship/Ethnic Origin: Severance, Hoopenfangia. / Caucasian. Welsh ancestry.

Family Members: Nephew: Jayden Farnsworth Pierce.

Social Class: Middle.

Occupation/Employer: Grossatete Sanatorium. Mystic Ministry sends select magisters of magic from Mystic Steeples to conduct assemblies in Grossatete Sanatorium if his or her *Progress Gauge Reports* are low, or for other probational demerits or reasons.

Hyland Pierce was understudy to Magister Aves Treacle, Magister of Divinatory Arts at Mystic Steeples, but Hyland's *Progress Gauge Reports* were low, and the ministry assigned him the unscrupulous work of Essence Excursions, disguised under the sanatorium assembly as Scrying Essentials. The former understudy now enjoys being deemed a Theurgist, but it is only to a select few inmates at the sanatorium. Hyland fears that the inmates are potentially dangerous, so he would much rather return to Mystic Steeples. His secret assembly is located at the top room of the western tower at the sanatorium.

Magic Specialties: Divinatory Arts, scrying mostly. He uses wand pops and various magic balls, which he throws at intended targets. He carries an enchanted shield that he has little skill using, but this makes the inmates in his assembly nervous.

Magic Wand and Staff: Both his wand and his magic staff are made of black cherry with a spell scroll rolled inside each of the cores.

Salary: Middle income.

Community Status: He ranks in the lower middle status. His position at the sanatorium is not respected among reputable Sanguinati.

Job-Related Skills: Theurgist Hyland Pierce is magister of Scrying Essentials at the sanatorium. What he really does there is Essence Excursions, a rehabilitation experiment to remove rebellious inmates' inner essences.

He also works part-time in pest control. (See toxic-fume balloonner under Hobbies below.)

Hobbies/Recreations: Hyland sings in the Mystic Chantry choir, and does pew-back pendulum (thanks to his long legs.) On weekends, he enjoys toxic-fume ballooning to rid enchanted insects, sprites, and other pests from the Garden of Herbal Delights and other areas in Severance, Hoopenfangia.

Political Beliefs/Affiliations: Traditional Sanguinati.

Voice: Hyland speaks in a flat, uninvolved, bored manner. He often attempts to turn every discussion into an argument about witchcraft.
