Height/Weight/Physical Description: Moonikles is a short, fat, and jolly stargazer whose neck ruff comes up to his lips because he has no neck. The dark circles around Moonikles' eyes and puffy cheeks deepen when he giggles. He is always eating black candy on a stick and getting dribbles on his white ruff. Political Beliefs/Affiliations: Over time, Moonikles is secretly leaning toward Progressive Sanguinati.

Voice: Moonikles uses clipped words and lots of giggles. He unintentionally says things that are insensitive but funny, if only to himself.
